

Schedule "A"

| INJURY LEVEL | QUALIFYING CRITERIA AND REQUIRED DOCUMENTATION | COMPENSATION |
|---|---|---|
| INJURY LEVEL | QUALIFYING CRITERIA AND REQUIRED DOCUMENTATION | COMPENSATION |
| <p><u>PHYSICAL HARM (with or without psychological harm)</u></p> <p><u>Level 1</u></p> <p>Class Members who consumed Recalled Product and sustained physical symptoms consistent with Listeriosis lasting for 24 to 48 hours subsequent to the ingestion of Recalled Product.</p> | <ol style="list-style-type: none"> 1. If the claimant was the purchaser of the consumed Recalled Product, proof of purchase or retained packaging or proof of returned product OR declaration attesting to purchase; and 2. Declaration attesting to consumption of Recalled Product and physical illness consistent with Listeriosis. | <p>\$750.00 per Class Member (including FLA claims made in relation to the same Class Member), to a maximum cap of \$7.5 million for all claims in Physical Level 1.</p> <p>If more than 10,000 claimants fall into this category, the \$7.5 million will be evenly divided between all claimants.</p> |
| <p><u>Level 2</u></p> <p>Class Members who consumed Recalled Product and sustained physical symptoms consistent with Listeriosis lasting for 48 hours to 1 week subsequent to the ingestion of Recalled Product.</p> | <ol style="list-style-type: none"> 1. If the claimant was the purchaser of the consumed Recalled Product, proof of purchase or retained packaging or proof of returned product OR declaration attesting to purchase; and 2. Declaration attesting to consumption of Recalled Product; and 3. Supporting contemporaneous medical documentation of physical illness (with or without psychological harm) showing illness was caused by or consistent with physical symptoms of Listeriosis. | <p>\$3,000.00 per Class Member (including FLA claims made in relation to the same Class Member)</p> <p>+ special damages supported by sworn statement and appropriate documentation, including medical documentation</p> <p>+ subrogated provincial insurer payments</p> |

Level 3

Class Members who consumed Recalled Product and sustained physical symptoms consistent with Listeriosis lasting for 1 week to 2 weeks subsequent to the ingestion of Recalled Product.

1. If the claimant was the purchaser of the consumed Recalled Product, proof of purchase or retained packaging or proof of returned product **OR** declaration attesting to purchase; and
2. Declaration attesting to consumption of Recalled Product; and
3. Supporting contemporaneous medical documentation of physical illness (with or without psychological harm) showing illness was caused by or consistent with physical symptoms of Listeriosis.

\$5,500.00 per Class Member (including FLA claims made in relation to the same Class Member)

+ **\$750.00** per day of **hospitalization**

+ special damages supported by sworn statement and appropriate documentation, including medical documentation

+ subrogated provincial insurer payments

Level 4

Class Members who consumed Recalled Product and sustained physical symptoms consistent with Listeriosis lasting for 2 weeks to 1 month subsequent to the ingestion of Recalled Product.

1. If the claimant was the purchaser of the consumed Recalled Product, proof of purchase or retained packaging or proof of returned product **OR** declaration attesting to purchase; and
2. Declaration attesting to consumption of Recalled Product; and
3. Supporting contemporaneous medical documentation of physical illness (with or without psychological harm) showing illness was caused by or consistent with physical symptoms of Listeriosis.

\$8,000.00 per Class Member (including FLA claims made in relation to the same Class Member)

+ **\$750.00** per day of **hospitalization**

+ special damages supported by sworn statement and supporting documentation, including medical documentation

+ subrogated provincial insurer payments

OR, ALTERNATIVELY

Arbitration is available for claimants falling into Level 4 Physical Harm at the request of the claimant.

Level 5

Class Members who consumed Recalled Product and sustained physical symptoms consistent with Listeriosis accompanied by secondary infection including, but not limited to meningitis, pneumonia, septicaemia, etc., but without ongoing and/or permanent physical symptoms.

1. If the claimant was the purchaser of the consumed Recalled Product, proof of purchase or retained packaging or proof of returned product **OR** declaration attesting to purchase; and
2. Declaration attesting to consumption of Recalled Product; and
3. Supporting contemporaneous medical documentation of physical illness (with or without psychological harm) showing illness was caused by or consistent with physical symptoms of Listeriosis.

\$35,000.00 per Class Member (including FLA claims made in relation to the same Class Member)

+ **\$750.00** per day of **hospitalization**

+ special damages supported by sworn statement and supporting documentation, including medical documentation

+ subrogated provincial insurer payments

OR, ALTERNATIVELY

Arbitration is available for claimants falling into Level 5 Physical Harm at the request of the claimant.

Level 6

Class Members who consumed Recalled Product and sustained physical symptoms consistent with Listeriosis with or without additional-complications, with ongoing and/or permanent physical symptoms.

1. If the claimant was the purchaser of Recalled Product, proof of purchase or retained packaging or proof of returned product **OR** declaration attesting to purchase; and
2. Declaration attesting to consumption of Recalled Product; and
3. Supporting contemporaneous medical documentation of physical illness (with or without psychological harm) showing illness was caused by or consistent with physical symptoms of Listeriosis.

\$75,000.00 per Class Member (including FLA claims made in relation to the same Class Member)

+ **\$750.00** per day of **hospitalization**

+ special damages (including loss of income and past and future care costs) supported by sworn statement and supporting documentation, including medical documentation

+subrogated provincial insurer payments

OR, ALTERNATIVELY

Arbitration is available for claimants falling into Level 6 Physical Harm at the request of the claimant.

Level 7

Class Members who consumed Recalled Product and suffered physical symptoms consistent with Listeriosis accompanied by secondary complications involving the central nervous system (including, but not limited to, meningoencephalitis or cerebritis, rhombencephalitis, brain abscess, septic shock) and/or focal infections (including, but not limited to ocuglandular syndrome, lymphadenitis, pneumonia, empyema, myocarditis, endocarditis, septic arthritis, osteomyelitis, prosthetic joint infections, arteritis, prosthetic graft infections, spinal and brain abscess and cholecystitis, acute hepatitis, and peritonitis among others) resulting in serious and permanent impairment of physical and/or mental function.

1. If the claimant was the purchaser of the consumed Recalled Product, proof of purchase or retained packaging or proof of returned product **OR** declaration attesting to purchase; and
2. Declaration attesting to consumption of Recalled Product; and
3. Supporting contemporaneous medical documentation of physical illness (with or without psychological harm) showing illness was caused by or consistent with physical symptoms of Listeriosis.

\$125,000.00

+ **\$10,000** to each FLA claimant(s) claiming in relation to the same Class Member

+ **\$750.00** per day of **hospitalization**

+ special damages supported by sworn statement and supporting documentation, including medical documentation

+ subrogated provincial insurer payments

OR, ALTERNATIVELY

Arbitration is available for claimants falling into Level 7 Physical Harm at the request of the claimant.

Level 8

Class Members who consumed Recalled Product and sustained physical symptoms consistent with Listeriosis resulting in death.

1. If the claimant was the purchaser of Recalled Product, proof of purchase or retained packaging or proof of returned product **OR** declaration attesting to purchase; and
2. Declaration (on information and belief if direct knowledge is not possible) attesting to consumption of Recalled Product; and
3. Proof of death; and
4. Supporting contemporaneous medical documentation of physical illness (with or without psychological harm) and confirming evidence indicating that death was caused by or consistent with physical symptoms of Listeriosis.

\$120,000.00 for the estate of the Class Member

+ **\$35,000.00** to FLA claimant, if spouse of deceased

+ **\$30,000.00** to each FLA claimant(s), if children of the deceased

+ **\$20,000** to each FLA claimant(s), if parents of the deceased

+ **\$5,000.00** to each FLA claimant(s), if siblings or grandchildren of the deceased

+ Funeral expenses up to \$13,500.00

+ subrogated provincial insurer payments

OR, ALTERNATIVELY

Arbitration is available for claimants falling into Level 8 Physical Harm at the request of the estate representative of the claimant.
